

# Future Teaching Lab

Simple teaching. Easy learning. Effective research.

## Empowering Tomorrow's Education!

We are here to help you prepare your teaching laboratories for the future. As education evolves, we are committed to equipping your labs with innovative solutions and exclusive offers designed to enhance modern learning experiences. Let's shape the future of education together!

## Exclusive Benefits for Educational Institutions\*

- + **Hands-on Training:** Free, practical courses tailored to fit seamlessly into your curriculum
- + **Special Discounts:** Exclusive pricing on lab equipment designed for teaching purposes
- + **Device Functionality Testing:** Ensure your BRAND equipment is working at its best with services like leak testing for air displacement pipettes using our PLT unit.

## More Ways We Support You:

- + **Personalized Guidance:** Our experts are ready to provide tailored advice for your unique needs
- + **Sustainable Solutions:** We offer take-back and eco-friendly disposal services for BRAND electrical and electronic equipment.

\* This offer is aimed exclusively at educational institutions in the field of teaching. Research institutions or projects that do not primarily serve teaching purposes are excluded from this offer.

# Future Teaching Lab

Simple teaching. Easy learning. Effective research.
